307 1926

June 22<sup>nd</sup> to attend a meeting of the West Riding Educ. Com. re a Headship  
L. Riley

Report on Campsea Ashe School  
in respect of Religious Instruction.

Owing to certain unavoidable interruptions to the general work among the upper classes the results of other years could not be expected. But in spite of the drawbacks the answers given by mouth and pen, especially in pieces committed to memory showed that great care is being exercised to lay a solid foundation of scriptural teaching. The work of the Infants' Class is worthy of very high praise.

F. Shadwell. (D. I.)  
June 25<sup>th</sup> Attendance this week 94.4%

Two cases of German measles.  
July 2<sup>nd</sup> Attendance 90.1%. Three boys attended hospital, and had tonsils removed.
