Average for the week 63.

Feb. 1st

Children arranged according to their Standards and new work commenced.

Average for the week 61.

5th

Report received today.

Summary of Inspector's Report.

The discipline calls for much praise and the infants and the first and second standards pass with credit, and upon the whole the shortened period justifies the award of Good, but not without serious hesitation.

English would have failed but for the exceptional circumstances & good Recitations
Needlework is fair.

The Registers must be tested by the Managers at least once a quarter at irregular intervals.

Elizabeth Southby C. M.

1887

329 Feb

- 1st Mr Bridges visited this morning.
