The good results of fostering a sense of responsibility and a power of independent work among the older children are apparent.

2. In the lower group, the younger children are being prepared sensibly for their transfer to the upper part of the school in due course, and in the Infant Room the work is also proceeding on good lines. The attention given by the Teacher to the use of modern methods and to the preparation of home made apparatus calculated to interest and help these young children in their lessons is a very encouraging feature.
